Dear Community Supporter,

The W.D. Packard Foundation upholds the legacy of W.D. Packard, founder of Packard Park and Packard Music Hall, by completing improvement projects for the betterment of the greater Warren community. Packard believed in the essential infusion of arts and entertainment into a community, and we are dedicated to this vision for our future. The Foundation has completed nearly 1 million dollars in restoration work at the Music Hall and in Packard Park with the assistance of the Packard Park and Music Hall Board of Trustees, The W.D. Packard Band, The City of Warren, JAC Management and more.

Now, we ask the Warren community to continue this work and assist with funding future improvements to make our community a better place to live and work.

**Packard Music Hall:** The Foundation's goal is to assist with the renovation of additional Music Hall amenities. This year, funds will be used toward replacing seating on the main floor and on the balcony.
